Socket: E14

Cord length: 200 cm

Cord color: Black

Watt: LED 5-8W

Plug: Included

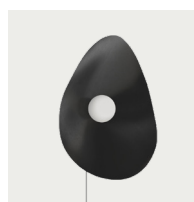

Light bulb: Not included

The design of the Fuji lampshade is inspired by Japan's Mount Fuji. Characterised by an exceptionally symmetrical cone with a flat slope shape, Mount Fuji has inspired artists and poets for centuries. The lampshade combines opal glass with soft organic forms to create a warm and translucent light, embracing the undulating curved shape of the metal disc.
