SANTA & COLE

Cirio Pana reimagines the traditional long wax candle, a historic ritual object, through the delicate lens of porcelain. More powerful than that of its smaller counterpart, its luminous disc is encased in a shade as tall as it is wide, producing a light that is both focused and expansive. With unique nuances in every piece, its grooved texture recalls the softness and depth of corduroy (pana in Spanish), traced by fine vertical ridges.

Handcrafted in Sargadelos.
